Re: 2010 Voter Education Statement

Attached are English and Spanish translations of a 2010 Voter Education Statement of the Catholic Bishops of New York State, approved by the Bishops at their September 23-24 meeting in Douglaston. The statement is almost identical to a statement released in 2008, with some minor alterations.

It was posted on our website today, sent to Catholic and secular media, emailed to the full Catholic Advocacy Network and highlighted on social networking sites like Facebook and Twitter.

You may wish to forward the statements to your parishes for distribution prior to election day on November 2. Printable PDF versions of the statement in both languages are available on the Catholic Conference web page, via a link on the home page under News and Alerts.
