We need your help!

Next week the combined collection for the Black and Indian Missions and the Catholic Campaign for Human Development will take place in our parish. Both of these collections have an impact in our own diocese and throughout the United States. Addressing the root causes of poverty and evangelization efforts are essential elements of our call to live the Gospel mandate to, "Love God and Love our neighbor..". 25% of the proceeds from the CCHD collection remain in the diocese. Thank you for your continued support and generosity. For more information you can contact Catholic Charities at: (315 393 -2255

This week's Second Collection

You can make a difference. This week the combined collection for the Black and Indian Missions and the Catholic Campaign for Human Development will be taken up in all of the parishes of the diocese. These two important collections have a local and a national impact. As we prepare for Thanksgiving, let us remember that part of being grateful is realizing that we are called to make this world a better place...a place of caring and compassion for our brothers and sisters. Thank you for your support.
