

# FORMATION FOR MINISTRY

## 30 Hour Ministry Service Agreement

The candidate agrees to provide 30 hours of supervised ministry to their parish during the second year of Formation For Ministry. Mindful of the unique and voluntary contribution that the candidate makes to the parish, their ministry will be evaluated by the pastor/pastoral administrator and supervisor at the end of this supervised period. The evaluation of their 30 hours in ministry is an effort to assist them, thank them for their service, and make a final recommendation for commissioning by the Bishop.

**Give the completed and signed original of this form to your Site Coordinator by date on your schedule. Keep a copy for the parish and give the candidate a copy for their records.**
